**YANIV TAUBENHOUSE (I set)**

**Teatro Olimpico**

- One Steinway Grand Piano, tuned prior to sound check
- A piano bench with adjustable height
- Music shelf (music stand) taken off the piano

- Piano mics:

A pair of stereo mics with stands placed in the middle part of the piano plus one mic with a stand placed on the tail of the piano (any high quality mic is ok)

- Talkback mic:

placed inside the piano on a towel (above the right side of the keyboard)

- One monitor will only be used in a unique outdoor situation (during sound check Yaniv will determine whether a monitor is needed)

- A small table or stool placed next to the piano (left side)
